

*A letter to the general public and media,*

*On completion of my project to raise contributions for the Save The Children COVID Relief Fund, I would like to convey my heartfelt gratitude to you, the public, for your tremendous generosity.*

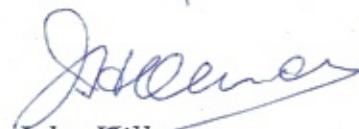

*I feel a deep sense of pride when acknowledging the many expressions of inspiration, gratitude for service, and in many cases, statements of affection which accompanied your donations.*

*My many thanks to the numerous members of the media who have spread the word on my behalf continuously from day one to my 101<sup>st</sup> lap in the courtyard of Carlton House.*

*I am also conscious of a job well done on receiving a personal complimentary letter from the Lieutenant Governor of British Columbia, the honourable Janet Austin, particularly as it mentioned her representation of Her Majesty Queen Elizabeth II.*

*Again, my most sincere thanks to all who supported and donated.*

*Yours truly,*

*John Hillman*

*101 Laps for \$101,000  
Total raised: \$166,576.85*
